

Make Health Hawaii's Shared Value

Department of Health Strategy Map 2015-2018

Hawaii Department of Health Strategy Map: 2015 - 2018

Make Health Hawaii's Shared Value

A

Invest in Healthy Babies and Families

- 1 Reduce substance use and exposure for pregnant mothers
- 2 Decrease unintended pregnancies
- 3 Support parents and extended ohana after childbirth
- 4 Promote developmental screenings and services in early childhood
- 5 Enhance maternal bonding and improve obesity prevention through breastfeeding
- 6 Address conditions contributing to child deaths and maternal mortality
- 7 Plan for a system of care for children that addresses physical and emotional health

B

Take Health to Where People Live, Work, Learn, and Play

- 1 Invest in telehealth to improve health access
- 2 Prevent and contain epidemics and disease outbreaks
- 3 Improve connections between primary care and behavioral health
- 4 Improve life trajectories for vulnerable persons
- 5 Partner with communities to identify and meet their needs
- 6 Create communities where the healthy choice is the easy choice
- 7 Improve home, school, and workplace safety

C

Create a Culture of Health Throughout Hawaii

- 1 Invest in better mental health
- 2 Enforce public health and environmental regulations
- 3 Make health and environmental data more accessible
- 4 Improve and protect Hawaii's water, land, and air
- 5 Adapt to and mitigate climate change
- 6 Enhance public health communication to influence, educate, and motivate
- 7 Enhance laboratory and scientific services

D

Address the Social Determinants of Health

E

Use Evidence-Based Practices and Make Data-Driven Decisions

F

Improve Core Business Services and Customer Satisfaction
