1:10 - 1:30 p.m.

Paid Family Leave & Other 2015 Legislative Issues

Implementation of the emergency contraception bill passed in 2013 as well as coalition-building efforts and opportunities to advocate for Paid Family Leave and other maternal and child health issues during the 2015 Legislative Session.

Catherine Betts, JD

Executive Director

Hawaii State Commission on the Status of Women

1:30 – 1:50 p.m.

Perinatal Support Needs Assessments

Findings and implications of 2014 needs assessments on breastfeeding and postpartum depression support conducted in June 2014 as well as discussion on future needs assessment topics.

Lisa Kimura, MBA

Executive Director

Healthy Mothers Healthy Babies Coalition of Hawaii

1:50 – 2:30 p.m.

Maternal & Infant Health Collaborative Update

Workgroup efforts focused on pre and inter-conception care; pregnancy and delivery; and infant health and safety. Facilitated discussion on culture barriers, community benefit, addressing substance abuse, and effective messaging to improve birth outcomes and reduce infant mortality statewide.

JoAnn Farnsworth, MS

Consultant to the Hawaii Infant & Maternal Health Collaborative

Don Hayes, MD, MPH

CDC-Assigned Epidemiologist
Hawaii Department of Health

2:30 – 3:00 p.m.

Birthplace Hawaii Study

Results and implications of a study on maternal quality and safety differences by racial/ethnic groups in Hawaii as well as next steps, including the design of a website to help moms choose what hospital to use to deliver their babies.

Tetine Sentell, PhD

Assistant Professor

Office of Public Health, University of Hawaii at Manoa
